

First, I would like to let you know that I am an independent voter, so I hope you understand that what I am writing is not influenced by "party politics". I am writing to let you know that it is clearly a biased, anti-American, and unfair practice for Sinclair Broadcasting to use public airwaves to air an anti-Kerry documentary just before the election. This is not a fair and balanced way for the media to provide information about the candidates and the democratic process using public airwaves. I urge the FCC to not allow such activity, OR if such activity is allowed then it must be regulated with rules that allow FAIRNESS. For example, if Sinclair is allowed to use the public airwaves for such activity then THE SAME AMOUNT of air time should be allocated for ALL OTHER PARTIES AND CANDIDATES to express different and opposing views. This is only fair. Thank you very much.
